Preschool Program

Ages: 3-4 4-5

Entails:	15 minutes gymnastics obstacle course	30 minutes gymnastics
	30 minutes trampoline and mini-trampoline	30 minutes trampolines
	(45 minutes total)	(60 mins total)

In the Preschool program the child will learn **balance, strength, coordination, discipline**, and much more while having fun on our gymnastics obstacle courses, trampolines, mini-trampolines, and spring floor. Through this trampoline- gymnastics class the students will build a strong foundation to set them up for harder classes and even school. Obstacle courses will vary from hanging and developing strength on bars and rings, jumping and crawling- forwards and backwards, climbing, sliding, rolling and somersaulting, with fun colors, toys and blocks. This 45 minute class is jammed pack with fun and constant activities. No time will be wasted sitting and singing- your child will be moving, jumping, smiling, and enjoying every minute. We teach the children to be independent and follow the structure of the class (ie- walking in line, taking turns, and following directions) so they are prepared for the 60 minute class when they are age eligible.

*If a 45-60 minute class isn't for your child please refer to the **OPEN TODDLER** flyer which is a 60 minute time for your child to come play with light instruction
